# Centennial Newsletter

## From the Desk of Principal Stiglic

I would like to welcome everyone back to school. Centennial Elementary School has set goals of "Academic Success for All," and preparing every student for their future employment. Also, we expect every k-12 student to graduate from high school and to be prepared for College or other professions they choose to enter. We can only succeed with these goals and others with the help of the parents, guardians, community, school district and school staff members. Please work with us to make these expectations a reality.

### **CAC Citizens Advisory Council**

The Citizens Advisory Council is an integral part of decision making in School District U-46. Enrollment, Finance, Legislative, Media Communications, Curriculum Standards, Parent Education and Parent Group Standards are CAC committees that parents can join. Centennial School is allowed to have five representatives on the CAC committees. All CAC representatives must be nominated by the Principal of the school. If you are interested in and/or need more information on being a Centennial CAC Representative, please call school and sign up for the CAC by September 4, 2008 (Call 630 213 5632). The first monthly meeting will be at the Elgin High School Library on Thursday, September 11, 2008, at 7pm.

### **Meet With The Principal Meeting**

We will have a "Meet with the Principal Meeting" on Tuesday, September 9, at 8:40am, in the all purpose room. School safety, MAP testing, academic issues, parent expectations and CAC topics will be discussed at this meeting. All parents and guardians are encouraged to attend these informational meetings.

### **PTC**

Please join the Centennial PTC (Parent Teacher Committee). This organization directs many social events (Fun Fair, Bingo Night, Field Day, Movie Night, etc.) and fund raising activities for Centennial School. The PTC meets on the first Tuesday of the month, at 7pm, in the all purpose room. I would like to thank Mrs. Hill, President of the PTC and all the PTC members in advance for their help at Centennial School.

### **Walk A Thon**

The PTC (Parent Teacher Committee) will direct the annual Walk A Thon on Thursday, September 25<sup>th</sup> this year. The Walk A Thon is the main fundraiser for the school. We encourage parents and guardians to help make this event a reality by volunteering to help. Also, we encourage every family to get pledges for the students in order to make the Walk A Thon a success. All money raised by the Walk A Thon goes back to the students through the PTC.

### **I'm Looking for a Few Centennial Graduates**

We would like to get a group of former Centennial students who are currently successful in high school to help us. If you know a student who would be the kind of person who could help Centennial students by serving on a forum, please have them call school. (1 630 213 5632)
