ELL February Tips for Principals, Secretaries, and Home School Liaisons:

*HAPPY VALENTINE'S DAY!!!*

- Home School Liaisons are finished with the building ELL monitor checklist. We would like to **THANK YOU** for your help and support !!! We know all of you have been working since the beginning of the school year maintaining the required documentation in ALL ELL green cum folders. As you are updating the information in the cum folders please be sure to enter the correct information in PANTHER. Accurate information is vital in providing our students and families with the instructional services that they are entitled to receive.
- Now the ELL office has started the random building monitor visits. These visits will allow us to provide in building assistance and clarify information. The expectation is that every school would establish a consistent monitoring plan that allows systemic procedures that enforces the integrity of the data.
