Sycamore Trails School

On a Final Note from the President...

I close this school year just as I would finish the last chapter of a good book. Saddened to have it end, happy with how things turned out, and filled with anticipation for the next school year. I am appreciative for the many parents that came forward this year to help when help was needed. I am grateful for the teachers and staff at Sycamore Trails. In August we will be welcoming a new school year as well as some new PTS Board members. Please help me welcome to the 2009-2010 Board; Yvonne Mundorf, President and Chrissy Donnelly, 2nd Vice President. I am looking forward to working with both of these ladies. They have both been very active with our school and bring admirable leadership qualities with them. We also have some new committee leads as well as some open positions. If you are interested in more information, please call me. Looking toward next year: we will be doing the Meet, Eat and Greet again, see info below; our fall fundraiser will be with Great American catalog sale; and we will be collecting ads for the directory to offset printing costs. During the summer you can help by obtaining an ad from your company or any local businesses that you frequent, update or sign up your status on our volunteer builder website, returning any registration forms early and continue to read.

Most importantly, have a Safe Summer!
